

To My Child's Teacher

I am hoping you wouldn't mind taking the time to write a quick note/memory in this book (any page, any place!)

I plan on giving this as a high school graduation gift, filled with words from teachers/mentors throughout the years. I would be absolutely thrilled if you would participate!

Please let me know if you are willing to do this, and contact me when it is ready to pick up.

Also - please don't say anything about this to anyone - it's a surprise!

Thank you SO MUCH for your time and for the influence you have been in my child's life.

I am forever grateful for you!
